Jitpur High School, Alipurduar, West Bengal
- Secondary (Class 10th)
2020 | *Percentage: 92%*
Railway Higher Secondary School, Alipurduar, West Bengal

PROJECTS

- **Mediseen – Medical Services App (React Native)**
Developed a comprehensive healthcare app that offers:
 - Doctor appointment booking.
 - Medicine ordering from any store across the city.
 - Emergency ambulance and lab test booking services.
 - A key feature allowing patients to upload and store digital medical records, easily accessible by doctors through the app.
- **Localfavs – Local Food Discovery App (React Native)**
Created a user-friendly app for discovering and ordering local food:
 - Enables users to order favorite local dishes directly from nearby vendors.
 - Highlights popular and trending food items within the user's locality.
 - Encourages the promotion and growth of local food businesses.
- **ClassTrack – Digital Classroom Attendance App (React Native)**
Built a mobile app to simplify classroom attendance for teachers:
 - Eliminates the need for physical registers by recording attendance digitally.
 - Automatically tracks and analyzes attendance data (daily, weekly, monthly) for each student.
 - Generates personalized reports for better student performance monitoring.

WORK EXPERIENCE

- **Freelance Frontend Developer**
Remote | Upwork & Direct Clients | [Jan 2024 –Present]
 - Collaborated with global clients on frontend projects
 - Delivered responsive, user-friendly interfaces using React.js and Tailwind CSS
 - Ensured timely delivery and client satisfaction
